It's easy to use, and it works with almost all iPad models. By the way, this is the first time I've ever wrote a review about a software, and I'm happy with how my review turned out. Pros: Easy to use. Doesn't cause any problems with iTunes. If you have an iPad model other than the iPad 2, it will still work with this program. Cons: It is limited to one use per ipad. It doesn't work with an iPad 3. Summary: This is the best iPad to computer transfer software I've ever used. It's easy to use, and it works with almost all iPad models.
