1. Character Creation 2. Main Story 3. System Requirements 4. Interface Character Creation Create your own unique character by choosing one of the three races. Each race has their own unique appearance, weapon (weapons) class, magic, special skills, and base stats. They also have special advantages and disadvantages. In addition, you can freely choose your race and weapon/magic/special skill classes as desired. The system allows you to freely combine equipment and skills that reflect your play style. Main Story The world of Tarnished is full of things that you have never imagined. For a certain reason, the mother of the race has disappeared. The reason why she disappeared is that she was hunting for a great being, the true Elden Lord, the type of

being who can take action in response to various incidents in Tarnished. In the game, you will participate in the search for the true Elden Lord by embarking on the main story. It is a world where you can freely decide your own course of action. There are a variety of situations waiting to be encountered. In addition, there are a variety of things to be done for the characters to grow and change.
