"This is a Fantasy RPG with an Action theme from a new studio, ACE OF BEAT. You will take the role of a Tarnished Elden as you quest to become a mighty Lord. As part of the Elden Ring, you will be able to recruit friends and utilize them for powerful allies. You must focus in all areas of battle to face the greatest enemy of the Lands Between. Within this world, there are monsters and evil spirits waiting to be slain. As a Tarnished Elden, feel the feeling of the power of the Elden Ring and become stronger." In this game, you will be able to enjoy the following contents in addition to the game functionality. • Item Bag • Equip Lists • Character Viewer • Quest Log • Party/Cross-World Chat • Steam clouding • Add-on Dungeon ACE OF BEAT is an independent game developer that was founded in October 2015. In December 2015, ACE OF BEAT released a demo of its first game, "The Knights of Pen & Paper", and began to receive good reviews for the quality of the product. As of September 2016, ACE OF BEAT has been developing its first game "ACE OF BEAT". ACE OF BEAT is a team of three people. Project Manager: Takumi Tamaki Game Producer: Seiji Mizutani Game Designer: Shigenobu Fujima As the Project Manager of ACE OF BEAT, Takumi Tamaki has been gathering information on the fantasy genre over the years, and has the most experience of all the game designers on the project. Seiji Mizutani has been leading ACE OF BEAT for four years in the role of Game Producer. He began his career by working on game management and production in the gaming industry. He has extensive knowledge of making JRPG games in the past. Shigenobu Fujima works for ACE OF BEAT as a Game Designer and Art Director. He has over 12 years of experience in the visual field in the video game industry. He has worked on a wide variety of projects, and has experience with the art direction and animation of games. "The Knights of Pen & Paper" is a huge JRPG game where you're able to create your own

Elden Ring Features Key:

One True World - A vast world with an open sky, deciduous trees, and a variety of scenery.

Seven Lands - In The Lands Between, there are seven worlds, each made up of a different world—and a place that seems to exist on the border between the worlds.

Unprecedented Level of Craftsmanship - Our artists have created scenes that are tantalizingly detailed, fantastical in their scale, and filled with time and place.

Advanced AI and Artificial Intelligence - Matoya, the artificial intelligence system, is designed to actively take on challenges based on your skill and to explore the world with a game-like appearance and dynamism.

Character and weapon artwork and background art was provided by Angela Yovan, Andrea de Natale, Jirka Balaz, Chris Campbell, Ness, and Southerntyre.

Ariel's concept illustration was drawn by Ariel de Natale and drawn in Adobe Photoshop using StillLife Texture Pack by Esoterrorist and Soeur Etais. The cover by Soeur Etais was also drawn in Adobe Photoshop and processed in Adobe Photoshop 10.2.

Become the savior of the Goddess. A lifetime of devotion and work to attain the power and glory of an Elden Lord are broken by treason and power-hungry ambition. With anger, sorrow, and bitterness, the Elden Lord decides to fight his own friends. With the help of the villagers and the Goddess, the heroes fight back, one by one. ACTION RPG DESCRIPTION KIREN ELDEN RING. One thousand years ago, an ancient guild called the Elden Ring came into existence. They have received a legacy passed down for generations and are expected to fight for the survival of humanity and its Goddess. Raised in seclusion, the guild has become very secretive and powerful. They have always been suspicious of outsiders, and strange outsiders have come in from the outside world. Now, the Guild has begun to lose its secrets, and the threat of outsiders to the people of this hidden land has reached a new level. Action RPG gameplay. First-person action RPG. Featured Content and Features - Risen Second - (Start Time: Dec 13, 2017) After the first main scenario has been completed, an entirely new story will begin. In the new story, there are entirely different character story scenes, and you'll discover new items as well as additional places. Explore the Lands Between with the Goddess's Favor. The Lands Between is a mystical place where the Goddess of Luck is the only witness of war. The Goddess is reluctant to intervene, but as the number of victims increases, she will ask those who oppose the Elden Ring, the "Bittus," to step in and take their place. You and your allies will be called upon to do battle with the forces of evil. The Goddess's Favor is a virtual item that is obtained during the story. It allows you to change the rhythm of your battle actions to make your actions more fluid. - ELDEN DRACULA (Start Time: Dec 20, 2017) "Bloody night!" The youngest of the Knights of the Elden Ring has returned after a long absence, bearing a tainted title and visage known only to those who live in the Lands Between. An adorable little dragon, he has returned with power which is even greater than that of the Elden Ring. - ELDEN RING KNIGHTS (Start Time: Dec bff6bb2d33

Verizon Galaxy Note 4 users they may have caught the ParsePHP
vulnerability**

**VZW Users: If you bought the Verizon Galaxy Note 4, there's a good
chance you're at risk of exposing your personal information to
hackers who can then target you with your identifying information.**

**That's because the platform for the device, known as phonegap, is
not secure. The vulnerability was disclosed to Parsec last month as
they were looking for researchers or developers to help with
security on their platform.**

**ModMyChess was the first to report the issue to public and privately
to Verizon. The Verizon Galaxy Note 4 runs firmware version
KKLGDG9, part of the Android 4.3.2 JellyBean operating system.**

VZW ModMyChess:

**We're contacting Verizon regarding this potential vulnerability, and
have not been able to confirm the potential for personal data
exposure.**

VZW:

**We are in the process of reaching out to the developer of the Build
application provided with the Note 4. We have not been able to
