---- Contact Us: Tri-Ace Inc., the company behind the Final Fantasy series, is the first Western developer to introduce F2P gaming to the core audience and to the console business. The company began its career by creating pioneering titles such as the dungeon crawler FINAL FANTASY, THE LEGEND OF ZELDA, the first-person role-playing game FINAL FANTASY TYPE-0 and the third-person action game FINAL FANTASY XIV. The company is now dedicated to creating new genre experiences with its latest titles, the action role-playing game FINAL FANTASY XV, due out in 2015, and the high-fantasy action role-playing game, FINAL FANTASY VII REMAKE due out in the second half of 2016. ### **Features Key:**

An entire new age of your medieval fantasy will dawn.

Build your own character as you struggle with the balance between power and humanity.

From mankind's emergence to the height of a new age, carve your own destiny in the Lands Between.

Develop your character and become stronger. Enhance your abilities through character growth and equipped magic, and invest in your character through duty and valor to perform powerful feats.

Take on an online character in your own original storyline, and play in teams up to four players while traveling together.

Discuss your character's feelings with other heroes in your guild.

Travel alongside others to meet new adventuring comrades in-game.

Play with over 100 unique classes.

Contest with friends, guild mates, and players from all around the world through an irregular PK system.
