GAME.ROCK Edge "Nier: Automata is a Metroidvania game which incorporates well-known RPG elements to offer the sense of progression and purpose that games of this genre usually lack." Game.ROCK Joystiq "If what you like is fast-paced action that also happens to be casual, beautiful, and funny, you might just be Nier: Automata's type." Game.ROCK Eurogamer "Nier: Automata is as beautiful as you want it to be, and it wears its heart on its sleeve.

It's a game that knows what it wants to be, and it's about it in a way that far too few games manage. It's a game for everyone." Game.ROCK PlayStation LifeStyle "Nier: Automata doesn't only tell a beautiful tale, it tells it with a haunting musical score, superbly animated characters, and a playfulness that evokes a sense of game thanks to its stellar writing. It's a game that may not have a huge market appeal, but it offers the perfect taste of what a great action-RPG should be." IGN "Nier: Automata is as beautiful as it is strange. It's a game about big ideas, and finding the right balance of dark humor and bright, playful aesthetics. It's a game about heavy themes from the classic fantasy stories, only it's driven by the playfulness of the beautiful action genre." GAME.ROCK UNSHAKEABLE LOG "Nier: Automata successfully walks a line of humanness and Machine. Machines seek out feelings, yet understand them imperfectly. Humans mistake their machines for emotions, yet know the latter are more so. Nier: Automata wonderfully redefines how we see both." IGN "The story is about a world split into humans and machines, the latter with the capacity to think, while the former have no thoughts at all....The characters are great and the dialogue makes you smile and cry. Automata takes what works in the Action genre, adds it with the Social dilemma genre and creates what can only be described as an incredible RPG." AVAZUS bff6bb2d33

The story of ELDEN RING, "A New Fantasy Action RPG", begins with the protagonist John Grow. With the power of the Elden Ring, he climbs to the surface of the world and, although he is known as a hero, he finds himself alone, so he goes through the long and dark path to return to his homeland. Along the way, he meets the young, strong-willed Selia, and together with her, he makes a pilgrimage to the Water Tower, which is the legendary source of life, and it unites them. Selia is a lady of the royal family and is the only daughter of the King
