Nevertales: Faryon Collector's Edition Features Key:

Sleep Bubbles - When you lose too many sleep bubbles, the Sleep Bubbles becomes the Spinner game and you must enter a Treasure Temple to get back your live count. The more sleep bubbles in your Spinner, the more credits you get.

Treasure Temple - Treasure temples are items required to activate your bonus. Treasure temples usually means hidden clothes or items are hidden. You look for them in this stage and you just wait before opening them.

Spinner - After the Sleep Bubbles is the spinner stage. The goal in this stage is to rotate to the next one on your bowling lane to stop the Sleep Bubbles. When you get to the last one on your lane, you are frozen until the the Sleep Bubbles phase again.

Power Up! - Your spin speed will be increased on stage. You will also get bonus points for knocking over a few sleeping eyes.

Press the **PLAY button to start Bowling. Let your fingers do the talking and hope the ball lands in the pins.**

Use the left and right arrow keys to select a bowl number.

The two larger bowling pins are knock off bonus pins. When a bonus number is knock off, the bonus will decrease one to five points.

Whenever the ball knocks over some eyes on the lane, you will get one point. Knock down some more eyes to earn more bonus points.

Switch lanes and press the up and down arrow keys to move the bowling pins.

Press **PAUSE** to pause the game.

Press **ESC** to return.

Press **L** to return to the main menu.

Caution:

Sometimes the ball will miss the pins and will follow the secondary path. It is usually not the best strategy to follow the secondary path.
