download torrent. Legion 2011 download torrent. Legion download torrent Legion game is a third-person shooter, which was released in 2011 by Capcom. The game is available both for download via torrent and in steam, download torrent of which on our game portal you can for free. Legion is a third-person shooter. You will have to play the role of one of three heroes, each of whom has his own skills of weaponry. Each warrior must have special skills that will help him to survive in this complex world. Your aim is to find and free the world from evil.

But first it is necessary to survive in this cruel world.

And you need all you can find to do this! You have enemies to kill, but you must have special abilities to do so. Use your skills to kill your enemies. But don't forget that enemies will also try to kill you. That's why you need to find allies and assemble your own team. To survive and win you need to find allies.
